

## FEATURES

- Screw affixing method
- Clamp width of 12 mm
- Bright Zinc Plated (BZP)

## RS PRO Cable Clips & Clamps

RS Stock No.: 186-5410

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

From RS Pro, this robust P Clip is ideal for securely holding pipes, cables and hoses in permanent or semi-permanent installations. The plated steel clip has a rubber insert which offers a secure grip which minimizes shifting. The clamp simply wraps around the cable or conduit, and screws together into a fixed surface. This simple affixing method ensures versatility as to where the clamp can be placed.

### General Specifications

<b>Material</b>	Plated Steel
