# RS PRO D Sub Adapter Female 9 Way D-Sub to Female RJ45

RS Stock No.: 382-2695

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

Modular RJ45 jack adapters with metallised moulded covers, providing shielded EMC protection for many data transmission and networking applications. Available with 9-way and 25-way D connector plugs or sockets and colour coded crimp contacts ready for loading as required. Assembled D connectors snap into adapter covers to provide a neat interface assembly. Finger operated jack screws fitted to each adapter. All models are highly reliable and excellent quality.
