RS PRO 3.5 mm Cable Mount Stereo Jack Plug, 3Pole

RS Stock No.: 395-1131

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this 3 pole stereo jack plug offers an economic and reliable solution to various audio applications. The phono connector is easy to terminate, with the plug element screwing into a black anodized sleeve for a connection that is both highly conductive and well insulated. The cable sleeve features an ergonomic grip to ensure a secure connection onto an appropriate audio cable. This jack plug has solder tab termination, and a gold plated contact for increased quality over a long life.
