1 mm Pitch Double Rows Low Profile Board-to-Cable Connectors

DF20 series

Features

- **1. Contact Pitch** 1 mm contact pitch allows reliable solder and cable termination.
- 2. Reliable electrical connection wipe Effective electrical connection is assured with a 1mm wipe of mating contacts.
- 3. Narrower external width and length Redesigned metal fittings decreased the overall length of the board- mount receptacle and permit end-to-end mounting of several connectors.
- 4. Automatic equipment board placement

Straight type pin headers are supplied with a 5.4 mm X 4.6mm flat platform to allow vacuum pick-up and placement on the board.

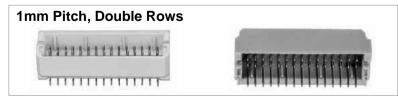

- 5. Product variations

 - (1) Available with 10, 20, 30, 40, and 50 contacts.(2) Pin headers are available in two types: with or without board positioning bosses.
 - (3) Depending on specific application pin headers can be ordered in straight or right angle types.
