RS PRO BNC Coaxial Cable with Crocodile Clips

RS Stock No.: 2138224

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This Coaxial cable is a kind of high quality value cable, with a flexible 50 ohm male plug on one end and two colour-coded black and red crocodile clips on the other end. It is made from industry standard components.

Coaxial cables are designed to transmit signals over long distances and easy to install.

Coaxial cables are commonly used by electricians and IT personnel and have a wide range of applications.
